Hello Mustangs,

What a great start to the year we have had.

It has been wonderful to see everyone again. I hope everyone's summer was relaxing and fun. This summer we had some of our Mustangs move on to their next adventures and new Mustangs have joined our family. Mr. Williams has joined Meredith as our Curriculum Support Provider, Ms. Cienna has joined as our High School Teacher and Ms. Hillman has joined as our Middle School Teacher, please help me welcome them to our community.

Along with new faces, we have new spaces, RACES. That's right, Meredith Mustangs R.A.C.E. to Win; we are Respectful—Accountable—Compassionate and Engaged. We are excited about the new year and what new opportunities await us.

In Service,

Judy Mitchell, M.Ed.

Principal Mary Meredith K-12
